

# LIGHT GREY CELTIC®

CELTIC OCEAN INTERNATIONAL, INC.

**Product Description:** Light Grey Celtic® is a mineral-rich, whole crystal (coarse), moist salt that is completely unrefined and hand harvested. Dried by the sun and the wind; it retains the ocean's moisture, locking in a vast array of vital trace elements. Light Grey Celtic® gets its light grey hue from the pure clay lining of the salt beds where it is harvested.

**Ingredients:** Sea Salt

**Additives:** Does not contain any additives, including but not limited to: anti-caking agents, free flowing agents, or conditioners.

**Appearance:** Light Grey crystals.

**Applications:** This product is intended for culinary use including cooking, direct application, salt mill, and food manufacturing.

**Country of Origin:** France. Manufactured in USA.

**Quality Systems:** Selina Naturally® is cGMP Certified, conforms to HACCP, OU Kosher Pareve Certified and compliant to Codex Standards for Food Grade Salt. Selina Naturally hand packs and examines each grain and removes unwanted foreign materials leaving only pure, unadulterated salt.

**Shelf Life:** Minimum 15 years from production date.

**GMO Declaration:** This salt is not genetically modified nor does it contain genetically modified organisms (GMO) or their derivations and genetic engineering is not applied during the production process.

# Celtic Sea Salt® Flower of the Ocean®

**Product Description:** Celtic Sea Salt® Brand Flower of the Ocean® is a natural phenomenon of the salt flats of pristine European coastal regions. Only when the weather conditions are just right do these small, delicate crystals form naturally on the surface of the salt brine. Flower of the Ocean® has an elegant, complex, delicate flavor balanced with a hint of sweetness. It is an unprocessed whole salt that contains no additives or anti-caking agents. It works well as delicate finishing salt.

Technical Specifications COA

# LIGHT GREY FINE GROUND CELTIC®

**Product Description:** Celtic Sea Salt® Brand Fine Ground is the same type of salt as our coarser Light Grey Celtic® variety, dried at a low temperature then finely ground. Celtic Sea Salt® Fine Ground has no additives and is not processed in any way beyond lightly drying and grinding. With a more subtle flavor than that of the coarser variety, it is an all-purpose salt convenient for use in a shaker bottle, at the table, as a recipe ingredient or in baking.

**Ingredients:** Sea Salt

**Additives:** Does not contain any additives, including but not limited to: anti-caking agents, free flowing agents, or conditioners.

**Appearance:** Light grey fine ground.

**Applications:** This product is intended for culinary use including cooking, direct application, salt mill, and food manufacturing.

**Country of Origin:** France. Manufactured in USA.

**Quality Systems:** Selina Naturally® is cGMP Certified, conforms to HACCP, OU Kosher Pareve Certified and compliant to Codex Standards for Food Grade Salt. Selina Naturally hand packs and examines each grain and removes unwanted foreign materials leaving only pure, unadulterated salt.

**Shelf Life:** Minimum 15 years from production date.

**GMO Declaration:** This salt is not genetically modified nor does it contain genetically modified organisms (GMO) or their derivations and genetic engineering is not applied during the production process.

# CELTIC SEA SALT® MAKAI PURE®

CELTIC OCEAN INTERNATIONAL, INC.

**Product Description:** Celtic Sea Salt® Makai Pure® sets the standard for unrefined sea salt. In Hawaii, our producers tap into seawater from deeper currents where there is higher salinity and produce the salt in a controlled greenhouse environment. The yield is a beautiful natural sea salt with top-notch minerals and flavor.

**Ingredients:** Unrefined raw deep sea salt.

**Additives:** Does not contain any additives, including but not limited to: anti-caking agents, free flowing agents, or conditioners.

**Appearance:** White crystals.

**Applications:** This product is intended for culinary use including cooking, direct application, salt mill, and food manufacturing.

**Country of Origin:** Product of USA.

**Quality Systems:** Selina Naturally® is cGMP Certified, conforms to HACCP, OU Kosher Pareve Certified and compliant to Codex Standards for Food Grade Salt. Selina Naturally hand packs and examines each grain and removes unwanted foreign materials leaving only pure, unadulterated salt.

**Shelf Life:** Indefinite shelf life. Store in a dry place away from direct sunlight.

**GMO Declaration:** This salt is not genetically modified nor does it contain genetically modified organisms (GMO) or their derivations and genetic engineering is not applied during the production process.

# CELTIC SEA SALT® GOURMET KOSHER™

CELTIC OCEAN  
INTERNATIONAL, INC.

**Product Description:** Celtic Sea Salt® Brand Gourmet Kosher™ carries all the quality and benefits of the original Celtic Sea Salt®. We chose this salt for our gourmet and chef customers based on the flavor and usability of the crystals. The delicate nature of this salt makes it easy to use in almost any application, similar to our Flower of the Ocean®, but with more integrity to the crystal structure offering a stronger crunch. It is an unprocessed whole salt that contains no additives or anti-caking agents. It works well in varied applications, from cooking to finishing, salt-curing to desserts.

**Ingredients:** Sea Salt

**Additives:** Does not contain any additives, including but not limited to: anti-caking agents, free flowing agents, or conditioners.

**Appearance:** White delicate crystals.

**Applications:** This product is intended for culinary use including cooking, direct application, and food manufacturing.

**Country of Origin:** Guatemala.

**Quality Systems:** Selina Naturally® is cGMP Certified, conforms to HACCP, OU Kosher Pareve Certified and compliant to Codex Standards for Food Grade Salt. Selina Naturally hand packs and examines each grain and removes unwanted foreign materials leaving only pure, unadulterated salt.

**Shelf Life:** Minimum 15 years from production date.

**GMO Declaration:** This salt is not genetically modified nor does it contain genetically modified organisms (GMO) or their derivations and genetic engineering is not applied during the production process.
