

## A Tradition of Excellence

- Selina Naturally™ Portuguese Sea Salt comes from traditional salterns in the protected nature reserves along the coast of Algarve, Portugal.
- Farming methods based on a 2,000-year tradition using controlled salt ponds.
- As the precious crystals form, they are gathered by hand and dried by the sun and wind.

## Award Winning

- Selina Naturally™ Portuguese Flor de Sal sea salt received the “Superior Taste Award” from the International Taste & Quality Institute (iTQi), one of the world’s most prestigious culinary organizations.
- This special sea salt is also part of the Slow Food Movement.

## Convenient

- Available in Coarse, Ground, and Flor de Sal.
- Refillable, recyclable glass jars, ½lb and 1lb resealable bags, and 5lb and 22lb bulk bags.

Located on the tip of Europe with the vast ocean of the Atlantic as its southern and western border, this enviable position gives the Algarve region possibly the most unpolluted environment on the European continent.
