Celtic Sea Salt®

ELECTROLYTE POWDER

Celtic Sea Salt® Electrolyte Powder is the culmination of 30 years of research by a medical doctor and worldclass chemist.

Their goal? Restore and maintain optimal cell function.

The result: A convenient electrolyte formula that restores and maintains optimal electrolyte concentrations in body fluids.

“Celtic Sea Salt® Electrolyte Powder is the only electrolyte formula that restores and maintains optimal electrolyte concentrations throughout your body and provides 65+ trace minerals.”
