

MAKAI PURE® Deep Ocean Sea Salt

The Naturally Occurring, Naturally Balanced **SUPER SALT!**

Mineral-rich sea water is naturally derived 2,200 feet below the ocean's surface

Natural transformation into brilliantly white salt crystals takes place at the surface, untouched and pure

Makai Pure® sea salt is gathered into a quality certified facility

This proprietary method produces a gourmet salt much higher in vital trace minerals with an astonishing 10.22 pH balance!

MAKAI PURE[®] Deep Ocean Sea Salt

Facts:

- ❖ Makai – [muh-kahy] – Hawaiian for seaward; towards the sea
- ❖ Mineral-rich sea water is naturally derived 2,200 feet below the ocean surface
- ❖ Through solar evaporation, deep sea water transforms into pure white crystals while minerals remain intact
- ❖ No additives ever!

Benefits:

- ❖ 2% of your daily value of calcium & magnesium per serving
- ❖ 33% lower in sodium than table salt
- ❖ Kosher Pareve, 100% Raw, & Non GMO Project Verified
- ❖ Dissolves on the taste buds with a sublime delicate flavor

Uses:

- ❖ An excellent gourmet finishing salt with a smooth and superior flavor
- ❖ Works great in a salt grinder
- ❖ Ideal for a neti pot
- ❖ When added, it enhances drinking water with a boost of trace minerals!

Trace Mineral and Moisture Content in Sea Salts

Super Salt?

Celtic Sea Salt[®] Makai Pure[®]

This naturally unrefined salt is not only lower in sodium than refined salts, but also boasts a rich allotment of trace minerals, like magnesium, potassium, calcium, zinc, and many others that the human body thrives on.
